Susan Berkowitz, M.S., C.C.C., SLP

**Date & Time:** Wednesday, May 24, 2017  
2:30 p.m. - 4:00 p.m.

Or

Wednesday, June 14, 2017  
9:30 a.m. – 11:00 a.m.

**Location:** San Diego Assistive Technology Center  
8665 Gibbs Dr., Suite 100  
San Diego, CA 92123

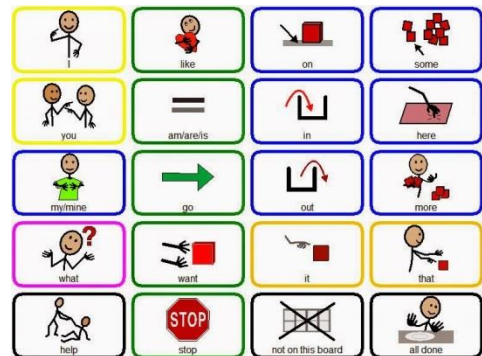

**Cost:** Free for parents / care providers of children and adults with special needs  
\$25.00 for all other attendees  
(checks made payable to *UCP of San Diego*)

### Workshop Description

*How do you know which words to focus on first in AAC implementation?*

*How do you figure out how to provide modeling during activities?*

*What are CORE WORDS and how do I use them to teach effective communication.*

This workshop will answer these questions and more. Susan will present information about early high frequency words to get communication started and how to determine when and how to provide aided input with any given activity. Join us for a fun, fast paced session.

### Registration

Preregistration is required to attend this workshop. Space is limited.
